# A Message from the Supervisor

Dear Islip Resident,

Summer and autumn have once again given way to winter and I am pleased to provide you with our Winter/Spring Recreation News. Inside these pages you will find programs for every member of your family at reasonable prices. Our mission has always been to provide the residents of Islip with affordable programming at clean, safe and attractive parks of the highest quality.

Winter is the perfect time to try some of our many indoor activities. Whether you are a sports enthusiast or prefer exciting cultural events, Islip Town offers a wide variety of programs to suit your needs. Learn how to play tennis, attend a concert or join us for one of our many trips. No matter what your interest, we have a program for you!

In anticipation of the spring and summer of 2012, residents can help beautify our Town parks by taking advantage of our Memorial Bench program. Every year a large number of benches are constructed to be placed throughout Islip Town. Residents now have the opportunity to sponsor a memorial bench, with a 2" by 3" personalized plaque to be mounted on the bench. This gives residents a chance to make a difference in their community, and personalize their local parks.

Lastly, I would like to extend a personal invitation to all Islip residents for this year's Winter by the Bay festival, taking place Monday, December 26 through Friday, December 30 at Roberto Clemente Park, formerly known as Timberline Park, in Brentwood. Keep checking our website ([www.townofislip-ny.gov](http://www.townofislip-ny.gov)) and our Twitter account (@townofislip) for more details regarding this event.

Very Truly Yours,

Tom Croci  
Islip Town Supervisor

## ART IN NATURE CAMP

This school break program is an interesting and creative way to entertain children over the spring recess.

Does your child enjoy the outdoors and creating art? Our young artists will take their inspiration from the earth – using themes and materials from nature. They will draw, paint and fabricate beautiful and exciting projects. They'll come home proud young artisans with dirty clothes and unique hand-made creations.

Sharon Kennelty-Cohen, a naturalist and environmental educator, has been teaching outdoor education for over 15 years. She has been exposed to the underlying beauty of art in nature from Kenya to Oklahoma and will encourage a love of nature through hands-on projects and outdoor expeditions. There will be time for both a snack and lunch, so remember to send in lunch and beverages with your child.

### FEBRUARY

#### 5 **Di.vi.sion Piano Trio**

Violinist Kurt Briggs, cellist Matt Goeke and pianist Renée Cometa Briggs – performers with di.vi.sion, a 35-core member group formed by Kurt Briggs in 1997 and named for its flexibility to divide forces. The di.vi.sion piano trio draws upon the spirit of the early pleasure gardens of London and New York by programming traditional repertoire alongside new and relatively unknown works. Historically, the pleasure gardens played a role in democratizing the concert experience, creating an inclusive environment for classical music.

#### 12 **Clarion Winds**

Bob Dalpiaz, Gene Keyes, Jeff Lange, Joel Levy – four of the most versatile and talented woodwind performers in the area, collectively represent an aggregate of over 100 years of experience with the highest quality of musical performance. Individually they have performed with The Metropolitan Opera Orchestra, The American Symphony Orchestra, both on and off Broadway shows, Big Band, Jazz and ethnic performances as well as live and recorded performances for myriad recording and concert artists. Specializing in the saxophone, clarinet and flute families of instruments, they will demonstrate their expertise with a varied program that is guaranteed to inspire, educate and entertain your audience.

#### 19 **Morrongiello and Young**

Christopher Morrongiello, lutenist and Marcia Young, harpist – a talented early music duo will perform a program of amorous lute songs featuring works by John Dowland, Thomas Campion and William Shakespeare among other silver-tongued songwriters of the Elizabethan era. In that age, music and poetry were coupled in ways that reached heights of expressivity unsurpassed to this day. Passionate verses that could melt the coldest of hearts were set to the sweet sounds of the lute – the instrument of courtly love. Talented lutenist-composers abounded at the culture-loving court of Elizabeth I, who was herself the subject of many poetic tributes in song. With lute, voice and Renaissance harp, Christopher Morrongiello and Marcia Young play and sing the exquisite melodies of romance in Elizabeth's England.

#### 26 **Duo Pastorale**

Flutist Jill Sokol and pianist Emily Olin will present a program of traditional flute and piano repertoire, as well as arrangements of vocal masterpieces and popular song. You will be delighted by the music of Rimsky-Korsakov, Godard, Gliere, Bizet and Bernstein – the program spans many nations and generations, and Duo Pastorale will narrate that trip with its signature audience interaction. Jill and Emily look forward to taking you on their special musical voyage.

### March

- 11 **KammerConnect** – Johannes Dickbauer, violin; Lily Francis, viola; Roman Rabinovich, piano; Michael Hass, cello.

The founding members of KammerConnect met at the Curtis Institute of Music in 2004. As they connected with other artists from around the world, the idea of KammerConnect became clear: a flexible group of individuals bound together by their love of chamber music (Kammermusik in German). Performances have included those at the Italian island of Ischia, Austria, Music from Angel Fire, New Mexico, the Hartford Musical Club and jam-sessions world-wide. The *West Hartford News* called KammerConnect's performance "magnificent... [it] truly sparkled and showed the vigor and virtuosity of this young ensemble."

### APRIL

- 1 **Serenade Duo** – Michelle LaPorte, flute; Gerry Saulter, guitar  
**Serenade Duo** has performed for audiences throughout the United States and Europe. As five-time Chamber Music Award recipients from Artists International, Serenade Duo has performed numerous sold out performances at Carnegie's Weill Recital Hall and Merkin Concert Hall in New York City.

### Matthew Pierce String Quartet –

Matthew Pierce and Curtis Stewart, violins;  
Meghan Krug, viola; Gary Beck, cello.

The Matthew Pierce String Quartet was formed from the Matthew Pierce Ensemble which was founded in 2005. Winner of the 2003 Best Cultural Event of the Year by the *San Francisco Chronicle* and a 2001 Meet the Composer Grant for his first opera, Matthew Pierce has created a pioneering composer/performer model that sets a bold standard for local and original classical music.

### APRIL

- 22 **McDermott Trio & Friends**  
with Tara O'Connor, flutist

Kerry McDermott, violin; Maureen McDermott, cello;  
Anne-Marie McDermott, piano

Hailed by *The New York Times* for "dazzling virtuosity and beautifully integrated ensemble," the McDermott Trio is recognized as one of the most exciting trios on the musical horizon. Since their Carnegie Recital Hall debut, they have appeared in recitals throughout North America, Central America and Europe. They grew up in Great River and Hauppauge, and now play with the New York Philharmonic, Chamber Music Society of Lincoln Center, McDermott Trio and Windscape.

## KEEP ISLIP CLEAN

Keep Islip Clean's mission is to have a clean community and healthy environment. In the coming months KIC has two major initiatives that will help us achieve this goal.

The first is a unique recycling event, the NIKE Reuse-A-Shoe project. KIC collects used sneakers throughout January, which we sort, pack and ship to NIKE for recycling into running tracks and other athletic surfaces. Every year this program, run by KIC Junior Commissioners, is responsible for keeping several thousand sneakers out of Islip's waste stream. Please participate by collecting old sneakers now and dropping them off in January at the KIC office, 660 Main Street in Islip.

After sneaker recycling KIC begins the Great American Cleanup, which is a series of litter pick-up projects designed to give Islip a good spring cleaning. Volunteers can choose to join an organized community-wide event, or initiate their own project. KIC provides all supplies for safe and effective work. Litter cleanup is one of the fastest ways to beautify a community so please join other concerned residents and help

keep your community clean. Contact the KIC office at 631-224-2627 or [keepislipclean@optonline.net](mailto:keepislipclean@optonline.net) to get involved.

## SAFETY TIPS

People come in many sizes – and so do life jackets (aka personal flotation devices). From infant to senior citizen, there are Coast Guard approved personal flotation devices to meet every need. When boating, be sure to have an approved personal flotation device of the correct size for each person on board. The Coast Guard Auxiliary reminds boaters, "It's the Law... and it's good advice."

## UNITED STATES COAST GUARD AUXILIARY SAFE BOATING COURSE

Islip Town is proud to have auxiliary units of the United States Coast Guard within the Town. These auxiliaries offer safe boating courses for the public which are highly recommended for any boat owner, young or old. For further information, class dates and times, call your local Flotilla:

## JUNIOR TEAM TENNIS SPRING AND SUMMER LEAGUES

Presented by Town of Islip and  
Long Island Foundation for Education & Sports

The LIFFES Junior Team Tennis League is a playing league for children ages 4-16. Whether you are a beginner or have taken lessons, our new Junior Team Tennis Program will have you playing on your very first day. We offer every child the opportunity to play on teams in a league that emphasizes fun, fitness and friends. Modified scoring is used to give each player at each level the ability to earn points and contribute to their overall team score.

The LIFFES Junior Team Tennis League teams are organized to match players of similar ability and age. Children ages 11 and older who already play or want to try out for their school team will develop match skills necessary for team play. New players will learn quickly using our Quick Start methods. **All equipment provided by the Long Island Foundation for Education & Sports.**

*Staff: Since 1998 The Long Island Foundation for Education & Sports with Chuck Russell, USPTA Tennis Professional, United States Tennis Association National Trainer, have provided tennis programs across Long Island for children.*

### DIVISIONS

#### First Servers – Ages 4-6

Children will learn using the Quick Start Tennis format games approach. Now any child can play tennis almost immediately – even if he or she never picked up a racquet before. Quick Start stresses modified scoring and games, along with modified racquet, ball and court size, to make the game easier for kids in this age group.

#### The Aces – Ages 7-10

This is for kids who are new to the game or have some previous tennis experience. Children are divided by ability and provided basic instruction with skill-based activities and Quick Start tennis activities including team matches. Children will be introduced to doubles and singles with the Quick Start 36/60/78 ft. courts and age appropriate transition balls.

#### Center Court – Ages 11-13

Based on the full 78 ft. court with yellow balls, kids are taught stroke basics for all the shots used in the game, basic strategies (including those specific to singles and doubles), and more emphasis on footwork/movement. League play and competition is the major ingredient.

#### Match Point – Ages 13-16

Match Point takes the instruction to the next level. The instruction portion begins to focus more on groundstroke depth, working a point, when to be consistent v. when to go for it, approach shot, put-away volleys, spin serve, lob/overhead, return of serve, etc. On top of all the above, we will teach the differences in using these shots/strategies in singles and doubles. League play and competition is the major ingredient.
